

English Idiom

Cut Some Slack

Cut Some Slack - to go very easy on someone; to be less harsh or critical of someone

- I want to **cut them some slack**, because they are trying very hard.
- Why are you going to **cut everyone some slack**? They need to learn to work harder.
- I am trying to **cut you some slack**, but I just can not allow this kind of behavior.
- Are you going to **cut me some slack**, or am I going to get fired?
- The teacher is going to **cut the class some slack**. The children are really trying hard.
